

MAPLERIDGE RANCH

RESIDENT CAMP INFORMATION

Welcome to **MAPLERIDGE RANCH SUMMER 2022!** We are so honored that you chose us and we are looking forward to getting to know each and every one of your children this summer. Your camper's time at the Ranch is sure to be one filled with adventure, memories, friendships, and growth! Enclosed you will find some very important information regarding the camp, so **please take time to read through it carefully.** If you have any questions that are not answered below, feel free to email us at info@mapleridgeranch.org or call us at (607) 687-2238.

ARRIVAL AND DEPARTURE:

Campers arrive on Sundays between 4:00 and 5:30 pm **The Ranch entrance will not be open before 4:00 pm** so please do not come any earlier as our staff will not be ready to receive your camper! Upon arrival, you will check in your camper, visit the camp nurse, have a chance to deposit funds in the Hitching Post, have their horse evaluation (only if your camper is registered for horsemanship), meet your camper's counselor, and help them get settled into their cabin!

After you visit all of the stations it really is best not to linger... staying around too long can make it harder on the camper, especially if it's their first time away from home. The sooner you leave, the sooner your child will start to make friends and feel comfortable. A few quick pictures, hugs and kisses, and a short goodbye is perfect!

Departure Saturday Morning:

9:00 a.m. Gates Open (load up luggage in car)

9:30 a.m. - 10:30 a.m. Closing Ceremony (goodbye hugs and tears:)

***We don't recommend bringing your child late or picking them up early, but we understand that circumstances sometimes make this necessary. If that is the case, please be sure to contact the camp office for arrangements to be made. (Dropping campers off early is not permitted.)

TRAVEL INFORMATION:

The Ranch does not assume responsibility for arranging transportation to camp, but we are eager to assist. If your child requires transportation to camp from the airport, your child **MUST** fly into the Syracuse Hancock International Airport (SYR). Please see the **Camper Flight Arrival Information Sheet** for more details on this process and ensure that you fill out the [Arrival/Departure Information Form](#) so that we have all of the necessary information regarding your camper's travel arrangements.

HOMESICKNESS:

Sending your child to camp for the first time can be scary, and we understand that you may have some concerns or reservations. We want to assure you that even though for some there may be a few tears on the first day, we actually don't experience much homesickness beyond that. The excitement of camp is contagious and before you know it, closing day comes and they don't wanna leave! Being homesick and "living through it" can be a great life lesson for the child... and the parent! You can rest assured that our staff is trained to expect this and handle it with patience and sensitivity. We will let you know if there are any serious problems that need addressing. That being said, you can help to prepare your child by being positive about camp and discussing what to expect. Let them know that missing home is "ok" and doesn't usually last long. Saying things like "I know you, and you're gonna do great!" or "I can't wait to hear about all the people you meet!" shows them that you are confident in them and their ability to adjust. Try not to transfer your own fears of being apart onto them... try to keep those feelings to yourself:)

(Tankinis are not considered one 1-piece).

If clothing is deemed inappropriate, campers may be asked to change.

PLEASE NOTE!

Many of the items in the WHAT TO BRING list to reflect the unusual climate here in the upstate New York region. This area can experience extremely varied temperatures in the summer, as high as 90 and as low as 40 degrees. Not only does it vary in temperature, but also in precipitation... when it's dry it's DRY, and when it's wet it's WET! Rain can go on for hours or days and is usually pretty cold. Also, the grounds are very rugged here, and often wet and muddy... Please pack accordingly!

REMEMBER:

Remember, camp is fun, you WILL get dirty, and clothes do get ruined... pack accordingly! In addition, please label all clothing and belongings. Any items not claimed from the Lost & Found on closing day will be donated to a local charity.

BEST WAY TO PACK:

We have found an old-school trunk or footlocker can house all of your camper's belongings and is the easiest way for us to haul their things to the cabins. A trunk can be a great item that is used year after year, and campers love "decorating" them with stickers and such! A rubbermaid-type bin can also be practical.

Walmart and Target both offer affordable options for trunks and bins, however, if you are looking for a trunk that stands the test of time, we recommend C&N Footlockers at everythingsummercamp.com/CNtrunks.

HITCHING POST:

The Hitching Post is our camp store. We do not allow cash in camp but parents may deposit money into their camper's "account" upon arrival to purchase t-shirts, sweatshirts, stickers, water bottles, snacks, and drinks. We recommend between \$25-\$50 per session. Money not spent can be collected before departure on Closing Day. Any change or cash not picked up will be donated to the camp's scholarship fund.

Please Note: Campers will need money deposited for their daily snacks, candy, and drinks. Unlike in past summers, campers will not be given a daily "free" drink and candy.

WHAT NOT TO BRING:

Your camper should not bring expensive valuables to camp such as; watches, jewelry, costly cameras, etc. **Cell phones, laptops, iPods, iPads, tablets, Gameboys, and PSP's** should not be brought to camp. We strive for all of our staff and campers to get away from all distractions and enjoy nature! If a camper does bring one of these items, it will be locked in the office until the end of the week. We also have a "no cash in camp" policy. All money needs to be checked in to the Hitching Post upon arrival and change can be picked up before departure.

THEME NIGHTS:

Each Tuesday of camp will have a different "theme". This will not only play out in songs, games, videos, and skits, but that night campers and staff are encouraged to wear outfits or accessories that go along with the theme. Everyone here at camp has a lot of fun with this and we highly encourage campers to get involved!

SUMMER 2022 THEMES

Below are the themes for this summer, along with some outfit inspiration. We encourage you to get as creative as possible!

Session 2 - Top Gun - I feel the need... the need for CAMP!

Grab those aviators and channel your inner Goose and Maverick, cause we're heading for the skies!

Session 3 - Glory Days - Best days of your life at MAPLERIDGE High!

We are going back under the Friday night lights, so come in your best High School spirit! You just might have to steal a Letterman jacket or cheerleading outfit from your parents' closet for this one!

Session 4 - Camp Cruisin' - Bon Voyage! The MAPLERIDGE Cruise Sets Sail!

Get ready for a vacation on the MAPLERIDGE Cruise! We're hitting the seas, so bring your boat shoes!

Session 5 - Surfers vs. Bikers - Let's take this outside... meet me at the BELL!

Are you on team Surfer or Biker? Team Surfer, come ready for the beach with your tropical shirts. Team Biker, grab your leather jackets and shades!

Session 6 - NASCAR - "If You Ain't First, You're Last!"

Ready, Set, Go! We're headin' to the Talladega Superspeedway, so bring your All American spirit!

Session 7 - The Royals - The Queen visits MAPLERIDGE!

Come dressed as MAPLERIDGE royalty, ready to meet the British Royal Family... or maybe you can BE the Royal Family!

COLOR WARS AND SOLIDARITY:

Fridays are special days at camp! We culminate our team competition with what we call COLOR WARS, a high-energy, multi-game, challenge where every team brings their team spirit and comes ready to win Champs of Camp! Be prepared to come all decked out in your team color... "head to toe" team spirit is encouraged! You will be emailed a few days before your arrival as to what team you'll be on... but please know COLOR WARS is a messy endeavor, so be prepared for clothes to be ruined.

After COLOR WARS, we all come together as one **MAPLERIDGE** family in SOLIDARITY. This is our closing ceremony and bonfire... a night filled with tradition and reflection. To signify our unity we ask all campers and staff to come to this event wearing RED. We are happy to announce that this year a red shirt will be provided, but the "head to toe" **MAPLERIDGE** spirit is highly encouraged!

CAMP RULES:

Here at **MAPLERIDGE**, we don't believe in having lots of rules, but we do have a few Golden Rules that we take seriously and ask all Campers and Staff to abide by:

- No Guys in Girls' cabins
- No Girls in Guys' cabins
- Use of cigarettes, tobacco, alcohol, or drugs is prohibited
- No leaving Cabin or Campsite after "lights out"
- No indecent/profane language
- Harming another camper (i.e. bullying, hitting, kicking, making fun of, or demeaning comments) will not be tolerated.

***The breaking of any of these rules is considered a serious offense and parents will be notified. There is a possibility that a child will be sent home for committing these offenses, and in that event, no refund will be given.

FANCY DINNER NIGHT

Once again, we are continuing with our new tradition at MAPLERIDGE which is known as "Fancy Dinner" Night. Every Thursday Night we will have a nicer meal and campers will be encouraged to wear something a little more "fancy" to dinner and chapel that night. We're not talking dresses and suits, but we do recommend that ladies wear jeans and a cute shirt, and gentlemen wear a button-down (or something along those lines!)

HEALTH AND DIETARY NEEDS

FOOD IS SERVED!

Our meals are graciously prepared by a wonderful kitchen staff who work hard to prepare meals that our campers will enjoy. Well-balanced meals that are wide in variety keep camper's energy up and their spirits high. If your camper has allergies or requires special dietary needs, please **let us know in advance** so we can be sure to accommodate them as much as possible!

HEALTH AND MEDICATIONS:

If you haven't already, please make sure you go online and fill out all necessary health and release forms as they are **due one week before your child's arrival!**

Please Note - MRR Medication Administration Form: In order for our Health Director to administer prescription medications, you must have turned in Medication Administration Form, *signed by the prescribing physician!* We will not administer any prescriptions, without this form signed. Any prescription medications you pack will need to be properly labeled with your camper's name and dosages. They will be turned in to the nurse upon arrival, and will be administered as prescribed.

COMMUNICATIONS

CELL PHONES, VISITS, ETC.:

Because we know the importance of “getting away” from all of life’s distractions, and we want to ensure your child’s safety and maintain a proper chain of communication, cell phones are not allowed at **MAPLERIDGE**. We do not view this as a restriction but rather a great experience for them to hopefully embrace!

Part of the experience of being at camp is learning to be independent away from home. We generally do not allow campers to call home or receive calls except in the case of an emergency.

BIRTHDAYS:

On occasion, we have campers celebrating their birthdays while at camp. If your camper’s birthday is during their camp stay, please email us at info@mapleridgeranch.org. We will do our best to make sure they have an awesome birthday!

SNAIL MAIL:

In today’s world of instant gratification and communication, there is NOTHING like receiving a letter or care package from the people you care about! We encourage you and your friends/family to correspond with your camper through letters and cards this summer. “Mail Call” has proved to be something everyone looks forward to here at camp and is the kind of fun that has stood the test of time!

SOCIAL MEDIA:

Our pledge is to put your children in the care of the most trustworthy and capable young adults we can hire – counselors who are well suited to the task of caring for campers. The effort we put into screening and selecting our staff is part of that pledge. We also know that many children desire to exchange contact information (e.g. email address, Facebook, Twitter, cell phone numbers) with counselors or staff members. We want you to know we discourage this. The best way for a camper to have contact with a staff member when camp is over is through “snail mail”. We recommend that you, as the parent, supervise your camper’s online activities just as you do other aspects of their life in your home.

That being said, during camp, occasionally, we will be updating our **MAPLERIDGE** Facebook, and Instagram pages with pictures, posts, and videos... Be sure to have your friends and family check it out!!
